10:26 - 11:46					
11:46 - 2:27					

Your student has been assigned to Cohort A, Cohort B, or Cohort C

- Cohort A and Cohort B includes in person learning
- Cohort C is online learning only

The day is split up into two types of learning: Synchronous and Asynchronous

- Synchronous is learning together in real time, either in person or through Zoom
- Asynchronous means individual online learning apart. Students access information and demonstrate what they've learned on their own time

Welcome to our class

Welcome to our class

# TRUSD Apps Portal

You access Google Classroom, i-Ready, Jiji, Imagine Learning, and more through the TRUSD Apps Portal

If you have a Twin Rivers Chromebook, this App is already installed

Welcome to our class

# Google Classroom

Online platform where daily assignments will be listed

All of our Zoom links, classroom materials, and assignments will be posted here

Links will connect you to other sites or programs where instructional work should be completed

*Welcome to our class*

# Seesaw

Students explore a variety of powerful and intuitive tools (like draw, record, collage, video, and more!) to show what they know in the way that works best for them

We will also use Seesaw as a way for students to share completed work in their writing journals and math textbooks. Students can take a picture of their assignments and send it to us through Seesaw

Welcome to our class

# Computer Programs

Welcome to our class

# Asynchronous assignments are in addition to Zoom and In-Person instruction
