2.0 School Site Council Training and Election of Officers

Dr. Isabel Acosta welcomes our new parent members: Alexis, Tracie, Marisa, & Yesenia and returning members: Alyssa Carpio and Edward Swanson.

In addition, explains the importance of School Site Council and their role in making decisions and sharing budget information. It is important have the correct number of parents, teachers, and administration as part of our school site council. We also look at our school-site needs and review data. In reviewing the data, we can see where our students are and how we can support them. Parents and students are key partners.

School Site Training Slide Presentation 22-23.

All pertinent information will be posted on our website. Agendas will be posted 72 hours in advance and accessible for all.

Bylaws document shared with staff members

Each member is a voting member.

Every two years you must be re-elected.

We will be meeting at least 5 times a year, but we can definitely meet more.

We can update the bylaws.

Amy Christensen motions to approve the bylaws and Yesenia Rodriguez seconds the motion. All nine members present voted yes (two members were absent).

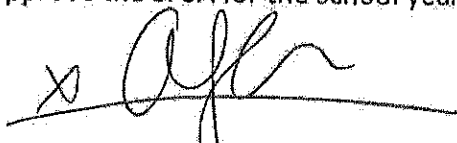

3.0 School Plan Re Approved

Dr. Acosta shared Pioneer SPSA Overview doc

The last time we met was in May and we were missing one vote so we are revisiting today for your approval. For Goal 1-Our focus is always on ELA & Math. We can always show academic performance. We see that there is a huge gap between these students and our English only students. One of the ways that we can help close this gap is my using Mrs. Smalls with small groups, helps them test, and works with them 1-1. We can see the academic achievement based on the pre and post-tests. A lot of our funding goes to her position and is for her providing assistance to our students. We also use retired teachers that come to our campus to read with and assess students. In addition, to support student academics within the classroom, our teachers offer intervention services. ESSER Funds were used to assist in areas of need for our students.

For Goal 4-Prior to covid our teachers would have a Harvest Festival, Cookies with Santa, and Game Night. We would like to host our normal events, but possibly include more things. For example, this year we are actually getting ready for our Fall Harvest Festival. You should be seeing a flyer coming soon from our Office Manager Brandie Sepetaio and a form asking for candy donations.

Yesenia Rodriguez motions to approve the SPSA for the school year. Marisa McLaughlin seconds. All 1's and two absentees.

Discussed goals, mentioned our SST teacher which SSC helps fund. Our SST Teacher supports classrooms by providing reading comprehension, small groups, works closely with our EL students.

4.0 Home School Compact

Tabled and we will meet on this next meeting. The home school compact is a form that goes to parents and students that they sign. I will share this with you. In addition, we will go over our Safety plan the next time we meet. We will review our data.
